PROJECT 25

NEWSLETTER 17 – Friday 23rd of May 2025

Dear Parents,

Firstly, let me begin by saying well done to all our Year 6s for completing their quizzes, we are all very proud of you and everything you have done.

A staffing change to make you aware of; I would like to congratulate Miss Kime on acquiring a lecturing post with Manchester Metropolitan University, where she will be mentoring trainee teachers. Even though this is a change for her, Miss Kime will continue with us and remain teaching with year 5/6 at Buxworth on a part-time basis. Mrs Rudder will take over the remaining teaching hours for Redwood Class.

An appeal: after my recent attendance at the regional updates meeting with Turin Northwest Maths Hub, it will come as no surprise and it's something we are all aware of, that the importance of times tables cannot be highlighted enough. I know the children enjoy their online games such as Times Tables Rockstars and Numbots, but if I could also ask you that if you have a spare 5 mins in the car or walking round the shops to go over their times tables with your children, I would greatly appreciate it. Times tables are one of the main foundations of maths and a good grasp of these will benefit your children for many years to come, not just at school.

The children have been incredibly busy over the last couple of weeks, here is just a flavour of what they have all been doing.

Have a lovely break and I look forward to seeing the children back on Monday the 2nd of June.

Best Wishes,

Mr Bertram

SAFEGUARDING is very important to us as a school. The Designated Lead at the School is Mr Bertram if you have any concerns about a child in our area please don't hesitate to contact him for advice. Safeguarding is everyone's responsibility.

We have also located a useful one stop shop of mental health support sights if anyone should require the need. **Mental health resources for children, students, parents, carers and school/college staff - The Education Hub (blog.gov.uk)**
