

Homework

Throughout the week you will be expected to learn your spellings and times tables and you should aim to read every evening. Every **Friday**, you will take home one Maths task or one English task, and they will be things you have learnt in school during the week. This will help you to consolidate your learning and to give you some extra practise. Please bring it back before or on the following Friday. The homework will also be available on the class website if you lose it or are away when we give the homework out.

At home and in school, you can access online learning sites such as **Bug Club**, **Edshed** and **TT Rock Stars**. Every Friday, a Spelling quiz (Edshed) and a TT Rock Stars competition will be set up for you to take part in throughout the following week. Links to these sites are on our class webpage.
