# PROJECT 25

I thought I would remind everyone of the school's core values in developing our children to where they are going to be at the age of 25:

Resilience

Compassion

Trust

Entrepreneurial spirit

Environmentally aware

Keeping Safe

STEM (Science, Technology, Engineering and Maths)

Respect

Thankfulness

Friendship

**SAFEGUARDING** is very important to us as a school. The Designated Lead at the School is Mr Bertram if you have any concerns about a child in our area please don't hesitate to contact him for advice. Safeguarding is everyone's responsibility.

I have also located a useful one stop shop of mental health support sights if anyone should require the need. [Mental health resources for children, students, parents, carers and school/college staff - The Education Hub \(blog.gov.uk\)](https://www.blog.gov.uk/2017/05/16/mental-health-resources-for-children-students-parents-carers-and-school-college-staff/)

A gentle reminder to please not park across household driveways near the school and always park safely. We don't want to see anyone hurt or put the safety of children and others at risk. It is illegal to park on 'School Keep Clear' markings, or zig zag markings. Please be respectful to our neighbours and others.
