NEWSLETTER 6 – Friday 1st of December

Dear Parents,

Well, I cannot believe that December is here already, I have included a list of the December events at the end of this newsletter. And in the spirit of Christmas, I am very aware that as a parent, some of our families like to get Christmas jumpers for the advent season. Therefore, for parents to get their value for money, children may wear their Christmas Jumpers all through the month of December.

I have also arranged for free parking at both St James Church and The Navigation Inn (you must give your registration number into the pub to do this). This may be helpful especially on Tuesday and Wednesday for the grandparents lunch.

The Children from Little Conkers had a great day celebrating Diwali.

And Year 5 & 6 had a brilliant time at their Tudor visit to Bramall Hall.

And finally, thank you to all who donated to the Poppy Appeal, the school raised £162.31, a big well done to you all.

Best Wishes

Mr Bertram

PROJECT 25

I thought I would remind everyone of the school's core values in developing our children to where they are going to be at the age of 25:

Resilience

Compassion

Trust

Entrepreneurial spirit

Environmentally aware

Keeping Safe

STEM (Science, Technology, Engineering and Maths)

Respect

Thankfulness

Friendship

This is not an exhaustive list and is of course subject to change.

SAFEGUARDING is very important to us as a school. The Designated Lead at the School is Mr Bertram if you have any concerns about a child in our area please don't hesitate to contact him for advice. Safeguarding is everyone's responsibility.

I have also located a useful one stop shop of mental health support sights if anyone should require the need. [Mental health resources for children, students, parents, carers and school/college staff - The Education Hub \(blog.gov.uk\)](#)

As you are no doubt probably aware there has already been a spike in the number of illness in some of our local schools. I will you up to date with the latest government advice from Public Health England with regards to Coronavirus. I have listed below the current expectations from government with regards to protocols on prevention and school attendance should your child come down with symptoms, there are also useful links should you require more information, you can see these below:
