PROJECT 25

NEWSLETTER 16 – Friday 23rd June 2023

Dear Parents,

Congratulations to all the children who took part in the cricket tournaments, the children did brilliantly representing the area at the regional finals.

Thank you to all who attended the recent Sports Days, a great time was had by all!

Reminder the school dinner test run week will be the week beginning the 10th of July, where parents will need to log in to ParentPay notify us that their children are requiring school meal prior to them getting it. Parents will not be required to tell us what meal they want, just that they would like a dinner ordered and the children will then pick what they want on the day. Please bear in mind this is a test run fun for what will happen in September, so we can iron out any issues now (hopefully!)

As you may be aware already, the NEU has announced 2 days of Industrial Action for Wednesday the 5th and Friday the 7th of July. When I have been given a clearer picture of which classes maybe affected, I will give you more detail. However, I would suggest you prepare for that eventuality to be sure. Also due to this, we have contacted Chapel High School and their Year 6 Induction Day will now be moved to Monday the 3rd of July. I have also rearranged for our 'Moving on Up Day' where the children meet with next year's teachers to coincide with this to avoid as much disruption as possible.

Thank you to Parents Claire, Martin, Mark, Ian, Brandon and Patrick for their work on the school grounds recently, the benches are being replaced as we go and the new sign looks brilliant.

Thank you to all the parents who have donated bits and bobs for the School Float with a special mention for Mark Stafford, Holly Smith, Bev Goodwin, Laura McEwen, Charlotte Baker and all the staff and children for organising and helping to build the Whaley Bridge Carnival and for helping on the day. It was great to see who the children class as their heroes, from Superman & Batman to the NHS, Armed Forces, Teachers the NHS, their parents, even the plants for providing our oxygen! Also a thank you again to Drinkwater & Son for their donations that have helped build the Float.

I would also like to welcome Mrs Hill to the team, she has fitted in really well already and if you get the opportunity and haven't spoken to her yet, please say hello at the school gates.

SAFEGUARDING is very important to us as a school. The Designated Lead at the School is Mr Bertram if you have any concerns about a child in our area please don't hesitate to contact him for advice. Safeguarding is everyone's responsibility.

We have also located a useful one stop shop of mental health support sights if anyone should require the need.
