PROJECT 25

NEWSLETTER 15 – Friday, 26th May 2023

Dear Parents,

Congratulations to all the children who took part in the recent quizzes. We are very proud of them all and we remind them that this is a measure of the school, not the child. And as you will see from some of the school photographs, there is a lot more to education than just quizzes, such as trips to the aquarium and church, healthy eating lessons, setting up a chocolate company, and going in the river, just to add a few things that the children have done this week.

Well done to the children who took part in Cheerfest - The children (and staff and volunteers) were brilliant!

I would also like to take this opportunity to say goodbye and thank you to Mr Hammond. He and his family are moving away to pastures new. He has been integral in streamlining office procedures and will be greatly missed by staff and children alike. I would then therefore like to welcome Mrs Hill to the school who has been appointed as the school's new School Business Manager. Mrs Hill will be starting after half term. Please bear with us if we have any transitional communication issues that need ironing out, but please continue to send communication to info@buxworth.derbyshire.sch.uk.

Thank you to all the people and businesses that have donated goods, money, and time over the last few weeks. With a special mention to Mr Stafford, Mr Hanson, and Mrs Rudder, who, along with the children have worked hard on the school grounds, in particular the school's gardens. I would also like to thank a secret donor who has recently contributed £500 towards the school. The contribution

is gratefully received and will go towards events and treats for the children.

All that is left for me to do is to wish you a healthy and happy holiday and I look forward to welcoming the children back after half term on Monday the 5th of June.

Kind regards,

Mr Bertram

Headteacher

SAFEGUARDING is very important to us as a school. The Designated Lead at the School is Mr Bertram if you have any concerns about a child in our area please don't hesitate to contact him for advice. Safeguarding is everyone's responsibility.

We have also located a useful one stop shop of mental health support sights if anyone should require the need. [Mental health resources for children, students, parents, carers and school/college staff - The Education Hub \(blog.gov.uk\)](#)
