NEWSLETTER 11 – Monday, 6th February 2023

Dear Parents,

We've only been back for a week and the children are already incredibly busy! A variety of competitions are on the horizon, such as the High 5 Netball competition, Tri Golf competition, a Map Quest event, Athletics finals, and more. Little Conkers class have an exciting trip planned to Moorland Discovery Centre, and there is of course the highly anticipated year 5 and 6 residential trip to Wales. It's fair to say we're cramming as much excitement and learning into the term as we possibly can.

Congratulations to all the children who were involved with Bikeability. Those who participated performed admirably and the instructors' feedback was that all children were a great credit to the school.

Looking ahead to next week, I can confirm the possibility of two more days of industrial action by the NEU at our school.

These days will likely be Wednesday 15th and Thursday 16th of March. More details will follow as soon as I have a clearer picture of which classes are due to be affected. To confirm, the Year 5 and 6 residential will be going ahead whatever the outcome of this proposed action.

Thank you to all those who took part in the World Book Day. The children looked brilliant and thoroughly enjoyed the occasion. Here are some of the great costumes our children came up with:

Best wishes,

Mr Bertram

PROJECT 25

Here is a reminder of the school's core values in developing our children to where they are going to be at the age of 25:

Resilience

Compassion

Trust

Entrepreneurial spirit

Environmentally aware

Keeping Safe

STEM (Science, Technology, Engineering and Maths)

Respect

Thankfulness

Friendship

SAFEGUARDING is very important to us as a school. The Designated Lead at the School is Mr Bertram if you have any concerns about a child in our area please don't hesitate to contact him for advice. Safeguarding is everyone's responsibility.

I have also located a useful one stop shop of mental health support sights if anyone should require the need. [Mental health resources for children, students, parents, carers and school/college staff - The Education Hub \(blog.gov.uk\)](#)

As you are no doubt probably aware there has already been a spike in the number of illness in some of our local schools. I will you up to date with the latest government advice from Public Health England with regards to Coronavirus. I have listed below the current expectations from government with regards to protocols on prevention and school attendance should your child come down with symptoms, there are also useful links should you require more information, you can see these below:
