### **NEWSLETTER 9 – Monday, 23<sup>rd</sup> January 2023**

Dear Parents,

The children have come back to school and are working extremely hard in lessons. By now, you will have received a class letter with regards to the children's learning this term. If you can discuss these topics along with the school themes you will see below with the children, it would be greatly appreciated.

I have also added the school calendar below. I have included the potential days of disruption due to Industrial Action by the NEU union so you can plan, which may be prudent.

Some classes and Year groups in our local schools will be closing. I do understand how frustrating this situation is for parents, however, teachers do not take this decision lightly and I will of course keep you up to date with information and proceedings that affect Buxworth School directly.

On a lighter note, there is so much to look forward to for our children. The Residential Trip is getting ever closer, and there will be the usual abundance of opportunities for children to get involved with, from clubs and activities, to sporting events representing the school at a variety of levels. We're also looking forward to the refurbishment of the school toilets over Half-Term and the completion of the new Astro Turf in the near future.

Finally, a sincere thank-you to all our volunteers, PTA members, governors, staff, and all who help to make Buxworth Primary such a wonderful experience for the children. Your continued support and dedication are much appreciated.

Best Wishes,

Mr Bertram
