Headteacher: Mr Paul Bertram N.P.Q.H**

### **NEWSLETTER 5 – Friday, 11<sup>th</sup> of November 2022**

Dear Parents,

Thank you to everyone who made the Remembrance Service such a poignant event. The children were outstanding in their manner, readings and conduct as they followed the school's core values of Thankfulness and Respect.

Well done to the School's Dodgeball Team who competed at the Regional finals this week finishing runners-up at the regionals and picking up the silver medal narrowly missing out on 1<sup>st</sup> place by one point. Good luck next week to the Year 5/6 Football Team who compete at County Finals, the Year 3/4 Football Team who compete at local finals and the school cross-country team who compete the week after next. Well done to all those children who are working hard with their clarinet and violins, my music teachers tell me you are progressing brilliantly, and thank-you parents for persevering with this as well!

In other news, the PTA had their AGM this week and they are planning a number of events for the children over the next few months, more information to follow. Thank you to all involved in the recent Parent-Governor elections, and congratulations to Matthew Scorer on his re-election.

Any volunteers who can spare a little time for the school (you don't have to be a committee member!) please contact them through their Facebook page. Thank you also to the PTA for donating the £1200 for the tickets for the pantomime where we are taking the whole school and thank you especially to a private donor who has personally donated £900 for the transport for this event. This person wants to remain anonymous but you know who you are!

In celebration of the World Cup and our global community, the next non-uniform day will be on Monday the 21<sup>st</sup> of November (donations to the PTA of chocolate and bottles for the hampers would be great). The theme will be the World Cup or any sporting heroes from around the world. Face paint is allowed!

Best Wishes

Mr Bertram

## PROJECT 25

I thought I would remind everyone of the school's core values in developing our children to where they are going to be at the age of 25:

Resilience

Compassion

Trust

Entrepreneurial spirit

Environmentally aware

Keeping Safe

STEM (Science, Technology, Engineering and Maths)

Respect

Thankfulness

Friendship

14<sup>th</sup> Little Conkers Walk to Whaley Bridge  
15<sup>th</sup> Pantomime- Sleeping Beauty- Whole School Trip  
19<sup>th</sup> Theme- Keeping Safe

**SAFEGUARDING** is very important to us as a school. The Designated Lead at the School is Mr Bertram if you have any concerns about a child in our area please don't hesitate to contact him for advice. Safeguarding is everyone's responsibility.

I have also located a useful one stop shop of mental health support sights if anyone should require the need. [Mental health resources for children, students, parents, carers and school/college staff - The Education Hub \(blog.gov.uk\)](#)

As you are no doubt probably aware there has already been a spike in the number of illness in some of our local schools. I will you up to date with the latest government advice from Public Health England with regards to Coronavirus. I have listed below the current expectations from government with regards to protocols on prevention and school attendance should your child come down with symptoms, there are also useful links should you require more information, you can see these below:
