NEWSLETTER 14 – Friday 26th of April

Dear Parents,

I can't believe Summer is here already! The children have been working really hard in lessons and are looking forward to everything this term has to offer. (Please see dates added at the end of this newsletter).

This week, I have composed a newsletter of 'thank yous'!

Thank you for all your responses with regards to the drop off and pick up times for next academic year September 2024- July 2025. The most popular choice was an 8:45am drop off with a 3:15pm pick up, which has now been approved.

Thank you to the PTA and parents who have raised money after the recent quiz night and cake sales, this money has been invested into the Forest School area.

Thank you also to everyone who donated the blue tokens at Tesco's. We won! This donation will go towards the children's outside equipment at the school.

Thank you to all the staff and volunteers with all their efforts for the children in school, whether that be in classes, the school office, the dinner hall, cleaning the school or outside in the playgrounds and forest school areas, they make the school the special place it is. And an extra thank you for all those with their efforts in running clubs in their own free time.

Thank you to all the parents who are working hard with their children with regards to their spellings, times tables, reading and assorted homework, it really does make a difference in reinforcing what the children learn in class.

Thank you to all the Governors for their support and guidance in aiding me run the school. A special thank you to Caroline Rofer for her contribution to the school who has recently retired from the Governing body.

Thank you to all the local businesses, churches and community services for offering parking facilities to ease congestion.

And finally, thank you to all the children for all their hard work in and out of school, they are becoming wonderful individuals, who you should be very proud of. It was nice at the recent celebration assembly where the Prefects awarded a silver award to the whole school as they have noticed how polite the children have been around the school.

Well done all!

Best Wishes

Mr Bertram

May

6th Bank Holiday

11th PTA Spring Fayre 12-3pm

w/b 13th Year 6 SATs week

15th Little Conkers Trip

This is not a finite document and is subject to change as the diary is updated

PROJECT 25

I thought I would remind everyone of the school's core values in developing our children to where they are going to be at the age of 25:

Resilience

Compassion

Trust

Entrepreneurial spirit

Environmentally aware

Keeping Safe

STEM (Science, Technology, Engineering and Maths)

Respect

Thankfulness

Friendship

SAFEGUARDING is very important to us as a school. The Designated Lead at the School is Mr Bertram if you have any concerns about a child in our area please don't hesitate to contact him for advice. Safeguarding is everyone's responsibility.

I have also located a useful one stop shop of mental health support sights if anyone should require the need. [Mental health resources for children, students, parents, carers and school/college staff - The Education Hub \(blog.gov.uk\)](#)
