PROJECT 25

NEWSLETTER 7 – Friday 6th of December

Dear Parents,

Well, the Christmas break is almost here, the Elves are out and about and the children, staff and volunteers have been incredibly busy organising events for our community, from Christmas Tree lighting, nativities, carol concerts, though to visits to the Pantomime. Thank you to everyone who has helped the children with preparing for all of these events: staff, parents and volunteers. You all make the school the very special place it is for the children, especially at this this time of year.

It was brilliant to see some many visitors in over the course of this week and thank you all for your wonderful comments about our school.

Congratulations to the school football team, who travelled down to Derby for this County event. After topping their group in the competition, they were eventually knocked out in the semi-finals in a tournament that was of a very high standard and contained many larger primary and junior schools. The team eventually finished fourth in the County.

I have also confirmed that we now are an accredited Fareshare food bank distribution centre, if you or anyone you know is in need (food, clothes etc) please let me know, all conversations are of course strictly confidential.

Mrs Tamkin would love for any of our parents who work in the Emergency Services (ideally firefighters or paramedics) to do a talk about their roles with our Horse Chestnut class in the New Year to tie in with their new topic. If this is something you could offer, please get in touch with the school office.

I have also had a request from the Memorial Club next door, could we please only park there after 3:05pm from now onwards, as it is making it difficult for staff and parents of Pre-school to exit their children and also to try and avoid parking across from the road junction at the school. There is extra parking available at the Church and the Navigation Inn (Please give registration numbers into the pub to avoid a fine). It is great that the whole community works together for our school, and I wouldn't want to damage these relationships with our neighbours and also more importantly keep it safe for our children. Thank you for your patience in this matter.

The school website is about to change! This will be changing over the next week or so. Please check in to see the new format, the URN will remain the same. [Buxworth Primary School - Home](#)

And also, please bear with us as it is updated over the next couple of weeks.

Best Wishes

Mr Bertram

PROJECT 25

The school's core values in developing our children to where they are going to be at the age of 25:

Resilience

Compassion

Trust

Entrepreneurial spirit

Environmentally aware

Keeping Safe

STEM (Science, Technology, Engineering and Maths)

Respect

Thankfulness

Friendship

Remaining Autumn Term Dates-

December

9th Theme- Entrepreneurial Spirit

9th Key Stage 2 Carol Service 6pm

16th Theme- Keeping Safe

17th Year 5/6 Carols at Lyme Park

18th Christmas Dinner Day

20th Children break up for Christmas

January

6th Inset

7th Children back into school

7th Theme- Resolutions

This is not an exhaustive list and is of course subject to change.

SAFEGUARDING is very important to us as a school. The Designated Lead at the School is Mr Bertram if you have any concerns about a child in our area please don't hesitate to contact him for advice. Safeguarding is everyone's responsibility.

I have also located a useful one stop shop of mental health support sights if anyone should require the need. [Mental health resources for children, students, parents, carers and school/college staff - The Education Hub \(blog.gov.uk\)](#)
