### **NEWSLETTER 9 – Friday 10<sup>th</sup> of January**

Happy New Year to each and every one of you, I cannot believe we are already into 2025. Let me start by saying a big thank you to all stakeholders with the school for helping me to get the school open during this cold snap and thank you to all of you for your patience during this challenging time. As we begin a new year and think of resolutions, we speak to children about goals and how working towards a target can help with the continual overall development of the individual along the way. If you could assist me with this by talking to the children about the Project 25 values we hold dear at the school, that would be great. The values and weekly themes are on the following calendar. Your child's teacher will also be sending out a class letter to you in the next week or so, informing you of the topics the children will be covering this term. Here's to a happy and healthy new year to all of you, I hope it brings you everything you want.

## Termly Calendar

### January

w/b- 6<sup>th</sup> Theme- Goals and Resolutions

w/b- 13<sup>th</sup> Theme- Project 25

# PROJECT 25

Our school's core values in developing our children to where they are going to be at the age of 25:

Resilience

Compassion

Trust

Entrepreneurial spirit

Environmentally aware

Keeping Safe

STEM (Science, Technology, Engineering and Maths)

Respect

Thankfulness

Friendship

**SAFEGUARDING** is very important to us as a school. The Designated Lead at the School is Mr Bertram if you have any concerns about a child in our area please don't hesitate to contact him for advice. Safeguarding is everyone's responsibility.

I have also located a useful one stop shop of mental health support sights if anyone should require the need. [Mental health resources for children, students, parents, carers and school/college staff - The Education Hub \(blog.gov.uk\)](#)
