NEWSLETTER 3 – Friday 9th October 2026

Dear Parents,

Let me start off with some congratulations; firstly, to the school football team who represented really well at the local event held, at Chapel High School against some very strong opposition. Secondly, to the school, who have just been awarded the Music Mark of Recognition for its contribution to the arts, thank you to all the staff, peripatetic teachers and children who have made this happen.

Just a gentle reminder that we are a nut free school, please do send your child in with items containing nuts as this may trigger allergies of students and staff alike.

The pupils continue to be busy, both in and out of school!

Good luck to the Girls' Football Team competing over the next couple of weeks over the next few weeks.

I can now give the results of the recent parent governor elections. I can announce the winner of the Parent Governor Ballot as Helen Scampion. It was well represented contest, and I would also like to thank Corinna Chidley who came in a close second. Thank you to everyone who participated and voted.

PROJECT 25

I thought I would remind everyone of the school's core values in developing our children to where they are going to be at the age of 25:

Resilience

Compassion

Trust

Entrepreneurial spirit

Environmentally aware

Keeping Safe

STEM (Science, Technology, Engineering and Maths)

Respect

Thankfulness

Friendship

If when speaking to your children you could mention these key phrases and what they mean I would greatly appreciate it. This will reinforce the work we are doing at school and I think now more than ever we need to emphasis these are vital attributes for our children for the years to come.

SAFEGUARDING is very important to us as a school. The Designated Lead at the School is Mr Bertram if you have any concerns about a child in our area please don't hesitate to contact him for advice. Safeguarding is everyone's responsibility.

I have also located a useful one stop shop of mental health support sights if anyone should require the need. [Mental health resources for children, students, parents, carers and school/college staff - The Education Hub \(blog.gov.uk\)](#)

I hope to see you all at the school gates over the course of the next term.

Best Wishes

Mr Bertram
