Building tomorrow together

PROJECT 25

NEWSLETTER 6 – Friday 27th November 2026

Well, I cannot believe that it is nearly December already! I have included a list of the December events at the end of this newsletter. And in the spirit of Christmas, I am very aware that as a parent myself, some of our families like to get Christmas jumpers for the advent season. Therefore, for parents to get their value for money, children may wear their Christmas Jumpers all through the month of December.

It was lovely to welcome the County Inspector into school last week. They commented on what a wonderful staff team we have, the welcoming atmosphere across the school, and how well the children are progressing with their lessons.

A huge well done to everyone who took part in our Autumn Art Competition! Here are a few photos from our celebration- the big group photo shows all our brilliant participants with their certificates and rainbow pencils, and the smaller photo features our winners and runners-up. A special congratulations to our main winners: Anabelle for KS2 and Sophia for KS1. Everyone is already very excited for the next competition!

Congratulations to the school's cross-country teams who did brilliantly at the regional finals, achieving a silver medal in the process.

And what a great job it was for the children who achieved the bronze medal at the Girls Regional Finals.

It is great to see the children competing at such a high level consistently over so many different sports.

Good luck to the Year 6s who will be singing at Lyme Park as part of their Christmas festivities.

Sycamore Class have written formal letters to the Pharaoh asking to improve the daily lives of ancient Egyptians.

We're Officially on Facebook!
We are thrilled to announce that our brand-new school Facebook page is now live! We've set this up to give you a closer look at all the wonderful learning, special events, and day-to-day moments happening across school, as well as a quick and easy way to stay up to date with news and reminders.
Come and give us a follow here:

facebook.com

A huge thank you to everyone who has already completed the photo consent form- it really helps us share all the fantastic things our children get up to! If you haven't had a chance yet, it's not too late to submit your preferences using the Microsoft Form below: Social Media Consent Form – Buxworth Primary School – Fill in form

This is not an exhaustive list and is subject to change.

PROJECT 25

I thought I would remind everyone of the school's core values in developing our children to where they are going to be at the age of 25:

Resilience

Compassion

Trust

Entrepreneurial spirit

Environmentally aware

Keeping Safe

STEM (Science, Technology, Engineering and Maths)

Respect

Thankfulness

Friendship

If when speaking to your children you could mention these key phrases and what they mean I would greatly appreciate it. This will reinforce the work we are doing at school and I think now more than ever we need to emphasis these are vital attributes for our children for the years to come.

<u>SAFEGUARDING</u> is very important to us as a school. The Designated Lead at the School is Mr Bertram if you have any concerns about a child in our area please don't hesitate to contact him for advice. Safeguarding is everyone's responsibility.

I have also located a useful one stop shop of mental health support sights if anyone should require the need. **<u>Mental health resources for children, students, parents, carers and school/college staff - The Education Hub (blog.gov.uk)</u>**
