SATs Revision Club

Dear Parents and Carers,

We are very pleased to announce that we will be re-starting the SATs Revision Club for year 6 children this year.

The club will be held on Wednesdays, after school in the Redwoods classroom between 3.00pm - 4.00pm. Please feel free to send your children in with snacks and drinks for eating during the club- this does make the extra hour of learning more palatable!

We will be covering all areas of the SATs tests (mandatory and extension work) in each subject area.

I am hoping that all of the Year 6 children will attend the SATs Revision Club on Wednesdays after school. If your child is able to attend, please fill in the slip below and return it to school as soon as possible.

The first session will commence on Wednesday 6th March 2024

Please ensure that children who are attending the club are collected from the usual door leading out onto the playground at 4pm, or have permission to walk home.

Many thanks

Miss Kime
