

SYCAMORE'S HOMEWORK BOOK

Welcome to your homework book!

Every Friday, you will get a new piece of Maths homework to stick in this book and complete at home.

When you've completed your homework, bring your homework book back into school.

Your homework book must be in school every Friday so we can mark it and give you your new homework.

Your first homework task is to decorate your homework book in any style you like.

Some ideas to choose from: you can add pictures to it, cover it in decorative paper, find the letters to your name in a newspaper or magazine and stick them on or add stickers to it.

Don't forget, to decorate this page too!
