# Winter Activities for EYFS

Check out some of these winter resources for EYFS.

## Understanding the World

### EYFS Winter Hunt Photo Checklist

Invite children to explore the world around them and the changing seasons by going on a winter walk. Can the children spot all of the winter items on the checklist?

### All About Winter Information Pack

This handy All About Winter Information Pack contains some informative fact files and a colourful PowerPoint all about winter. Ideal for use with the whole class or small groups of children to learn about winter.

For more winter Understanding the World ideas, click [here](#).

## Sensory

### Snowman Sensory Bag

Create a snowman even if it isn't snowing! Invite children to move pieces around a snowy sensory bag to create a snowman's face. Can they position the pieces correctly?

### Let It Snow Sensory Bottle

Invite children to explore this pretty snow-themed sensory bottle. Twist, turn and shake the bottle and watch the snowflakes swirl!

### Sparkly Snow Cloud Dough Recipe

Make a batch of sparkly snow cloud dough for children to explore. The dough will hold its shape but can also be crumbled. Ideal for making mini snowfriends!
