

**BUXWORTH SCHOOL
SPORTS PREMIUM REVIEW
2017 – 2018**

Aim: to maintain the levels of enthusiasm and participation that have made us County Cyclo-Cross champions the last three years out of four, Regional Football Champions for small schools, Area Champions for Sports' Hall Athletics and much more.

Area for development	Planned actions	Cost	Outcomes for July 2017	Review July 2018
Increase participation in healthy activities by all pupils	Train pupils as playground leaders for lunchtime and resource activities	£500	Extra activities available for all children throughout the lunch hour; greater participation in healthy activities; children acting as ambassadors for sport	Extra activities available for all children throughout the lunch hour; greater participation in healthy activities; children acting as ambassadors for sport. Two Y6 pupils independently risk-assessed and started an after-school club for playground leaders and, as a result, these pupils achieved a gold award which is the highest accolade given in school.
	Pupils to be encouraged and supported in setting up their own lunchtime initiatives	£50		
	Provide equipment for playtimes and lunchtimes that encourage active play and team work. Train lunchtime staff.	£800		
	Run a mile a day and include special events (Reindeer Run, Duathlon).	£0	All children participate in initiatives.	

				that we did the mile run.
	Sports' Council set up and running, with achievements out of school also celebrated	£50	Children identify opportunities and know who to ask about different activities and clubs	Children helped to run sports' and fund-raising activities. Noticeboard which celebrates success, gives opportunities for volunteering and advertises events. Regularly updated. The council helps to select playground equipment.
Increase the range of healthy activities available	Use the 5-a-day initiative in each class at least three times a week	£50	Children to incorporate healthy activities into their daily routines	Used with children to great effect. Positive feedback.
	Train new staff to ensure all classes access forest schools regularly and for disseminating to other schools	£7000	Children to be more confident in OAA	All children participate in weekly Forest School sessions. One member of staff fully trained; another three have completed their final assessment week successfully. It gives children who are not well-integrated in the classroom a chance to shine and this is perpetuated by the celebration of their success on the school website. Staff are wholeheartedly committed to this provision. The Governors have suggested that this is offered to other schools as a facility.
	Build up a circus skills club	£500	Well-supported club running regularly	Ran well initially, but not sustained. Some circus skills incorporated into gym club.
	Circus skills day	£500	Increase	An extremely successful day, with

			participation in circus club and to train staff	long-term impact on some children.
	Continue cycle club and provide First Aid and L2 BCA training for club leader	£500	Well-supported club running regularly	Well-supported club running regularly. The team won the County Cyclo-Cross Championship for the third year out of four. The training was delayed to next year due to unforeseen circumstances.
	Start long run club	£50	Well-supported club running regularly	Well-supported club running regularly, with some members taking part in the Stockport Schools' Cross Country league on Saturday mornings.
	Continue Balanceability courses	£500	EYFS and pre-school work together to develop fundamental skills.	EYFS and pre-school work together to develop fundamental skills. Well supported by parents, and very successful.
Develop opportunities for more pupils to take part in competitive sport	Plan calendar of events with SSCO to cover full primary range		Wide range of events available across the age range – to be accessed by all pupils	Wide range of events available across the age range – to be accessed by all pupils, with staff training given. Goal posts are ongoing.
	Purchase integrated football and netball ends for the playground (school fundraising to make up the shortfall)	£8000		
	Participate in cricket coaching initiative	£100		
	PAS coach to accompany on Lyme Park trip	£500		
	Plan sporting event with	£400	Cyclo cross –	

	neighbouring school Transport to events	£500	summer term Pupils able to participate in county and regional finals	Pupils able to participate in county and regional finals
Introduce table tennis in curriculum and playtimes	Purchase and install table tennis table	£2574	Participation in cluster tournament	Static table installed in playground for outdoor use. Two indoor tables in the hall. Leader of local table tennis club started an after-school club for pupils. The school hall is now let for two or three evenings a week for local table tennis tournaments.
Improve PE teaching throughout the school through specific CPD	SSCO to work with individual classes; staff members access LA training for PE and dance	£2000	Recent CPD for all staff	CPD had a significant effect, especially in table tennis. NQT given opportunity to work alongside advanced skills teacher from local secondary school.
	TOTAL SPENDING	£24,564
