

Dear Parent/s,

Welcome to the new Summer Term; we hope you have all had a fantastic Easter break. Our topic this term is, 'Chocolate' and 'The Mayans'. Please see the reverse side of this letter for an overview of our learning. At the end of the term, we will be celebrating our learning by hosting a chocolate event. There will be a letter sent home to explain more about this nearer the time. Below, we have put together a list of things that will be happening this term as well as our class routines. If you have any queries, or wish to discuss anything regarding your child, please don't hesitate to telephone school to ask for a meeting.

Yours,

Mrs Downings and Mrs Rudder

---

Mrs Rudder will teach the children on Mondays and Tuesdays then Mrs Downings will teach them for the remainder of the week.

**PE** with Mr Swann/PAS will be on **Monday and Friday** afternoons.

**Forest Schools** with Mrs Rudder will be on **Thursday** afternoons.

Please see the website for information on the **correct school PE kit and Forest Schools kit**.

**Spellings** will be set and given to children on **Fridays** by Mrs Downings and will be practised in the classroom every day ready for their spelling quiz the following Friday. Please help your child by practising these at home. You can access their weekly spelling lists on the class webpage. Every child has an Edshed login to practise these online.

**Times tables** will be set and given to children on **Wednesdays** by Mrs Downings and will be practised daily in the classroom. Please encourage your child to practise these at home. Every child has a TT Rockstars account that they can access at home and in school.

**Reading books:** Throughout the week, members of staff will hear your child read. The children will be able to take a book and a reading record home daily, but they must remember to **bring them both back the following day**. We will change books as and when the children finish them.

**Homework:** Throughout the week your child will be expected to learn their spellings and times tables and should try to read every evening. On **Fridays**, your child will bring home a Maths task to complete and return by the following Friday. Their homework will be an activity based on what they have learnt that week. This is to help the children to consolidate their learning and to give them some extra practise. **Additional changes to our homework:** In order to help the children learn their times tables, each week they will be set an assignment to complete on TT Rockstars. This is a 15-minute session in 'Garage' mode for them complete throughout the week. Please remember, TT Rockstars can be accessed through the internet or by downloading the app on mobile phones, tablets etc.
