NEWSLETTER 8 – Friday 16th January

Happy New Year to each and every one of you, I cannot believe we are already into 2026. As we begin a new year and think of resolutions, we speak to children about goals and how working towards a target can help with the continual overall development of the individual along the way. If you could assist me with this by talking to the children about the Project 25 values we hold dear at the school, that would be great. The values and weekly themes are on the following calendar. Your child's teacher will also be sending out a class letter to you in the next week or so, informing you of the topics the children will be covering this term. Here's to a happy and healthy new year to all of you, I hope it brings you everything you want.

The children have already been very busy.

Congratulations to our basketball teams; Team Lighting and Team Thunder, the former of whom have qualified for the regional finals

Also, very well done to the Girls Football Team who competed well at the High Peak Regional Finals, finishing third in their group.

Please also note that we are delighted to be taking part in Tesco Stronger Starts. Whenever you shop at Tesco, please pick up a blue token and place it in our voting box to help us secure funding for our Forest School projects.

SAFEGUARDING is very important to us as a school. The Designated Lead at the School is Mr Bertram if you have any concerns about a child in our area please don't hesitate to contact him for advice. Safeguarding is everyone's responsibility.

I have also located a useful one stop shop of mental health support sights if anyone should require the need.
